Australia Transit

Because both legs of the international flight transit through Melbourne, both applicants will obtain an Australian Transit Visa (subclass 771) before departure. Australia's Transit Without Visa (TWOV) facility does not apply to Chinese passport holders, and our planned itinerary allows ample time (more than four weeks before departure) to complete this application alongside the New Zealand visa.

Accommodation (7 nights)

- Christchurch — 1 night (9 Aug, airport area).
- Lake Tekapo — 1 night (10 Aug).
- Wanaka — 1 night (11 Aug).
- Queenstown — 3 nights (12-14 Aug).
- Auckland (airport area) — 1 night (15 Aug).

Ground Transport and Activities

- Rental car (automatic, compact SUV): collected at Christchurch Airport on 10 Aug, returned at Queenstown Airport on 12 Aug (~3 days).
- Milford Sound day tour (coach + cruise) from Queenstown on 13 Aug.
- Full-day skiing at The Remarkables (or Coronet Peak) on 15 Aug, with ski-field shuttle and equipment rental in Queenstown.
- Orbus public transport (Routes 1 and 2) in Queenstown for airport transfers and day trips to Arrowtown / Onsen Hot Pools.

Funding and Insurance

Each applicant is responsible for his/her own share of trip expenses (international flights, accommodation, day tours, meals, and incidentals). Supporting bank statements and proof of funds are attached separately to each individual application.

Both applicants will purchase comprehensive travel insurance covering medical care, flight delay, rental car excess, and winter sports before departure.

This itinerary is the current travel plan submitted in support of our New Zealand Visitor Visa application. Final flight numbers, accommodation reservations, and day-tour confirmations will be booked once the visa is approved; preliminary bookings or quotes are attached where available.
